By registering for the 3Kings3Hills TrailRun* I have agreed to a liability waiver.

I am aware that neither the organizer, helpers, sponsors, landowners, property owners and/or trail maintainers accept liability for damage or injury suffered by the participant. The aforementioned accept no liability towards the participant or a third party.

I expressly declare that I will not make any claims against the aforementioned in this regard.

I know and accept the valid conditions of participation (regulations), which can be found on the homepage www.3kings-3hills.com.

I undertake to attend the briefing before the competition and will follow the instructions of the course marshals and mountain rescue/rescue. In particular, as a participant in the 54KM, 40KM and 25Km routes, I undertake to carry the GPS tracking app provided by the organizer, which is intended to ensure maximum safety during the 3K3H. In addition, I undertake to take the mandatory equipment recommended by the organizer.

In particular, I understand that I am entering the 3Kings3Hills routes entirely at my own risk and that I am responsible for my own safety, even in the event of sudden changes in the weather and thunderstorms. I respect the cut-off times and respect the organized return transport times in the event of a race cancellation. If I decide to continue running the route without being ranked and at my own risk, the organizer accepts no liability. In principle, the rules of the StVO (road traffic regulations) must always be observed. Everyone is responsible for their own journey back to the festival site and must observe the rules of the StVO.

I confirm that I have read the runner's guide.

With my signature, I confirm that I am taking part in the 3Kings3Hills TrailRun* at my own risk and peril.

I hereby declare that I am in good general health and that there are no medical concerns about my participation in endurance competitions. I have mastered the technical difficulties of running uphill and downhill in open, steep and sometimes very impassable terrain.
